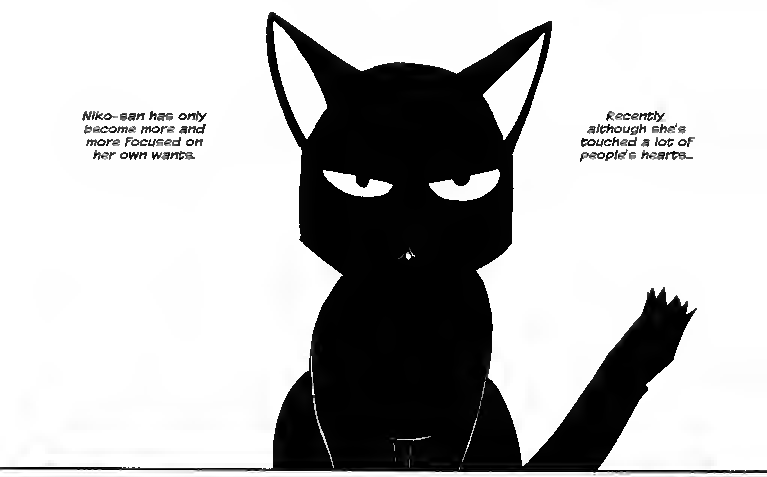
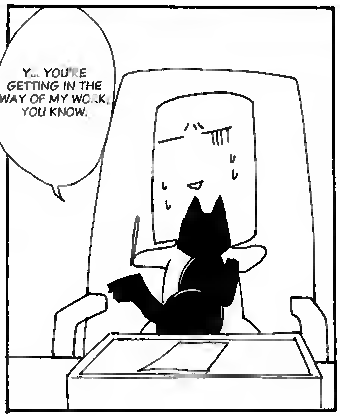
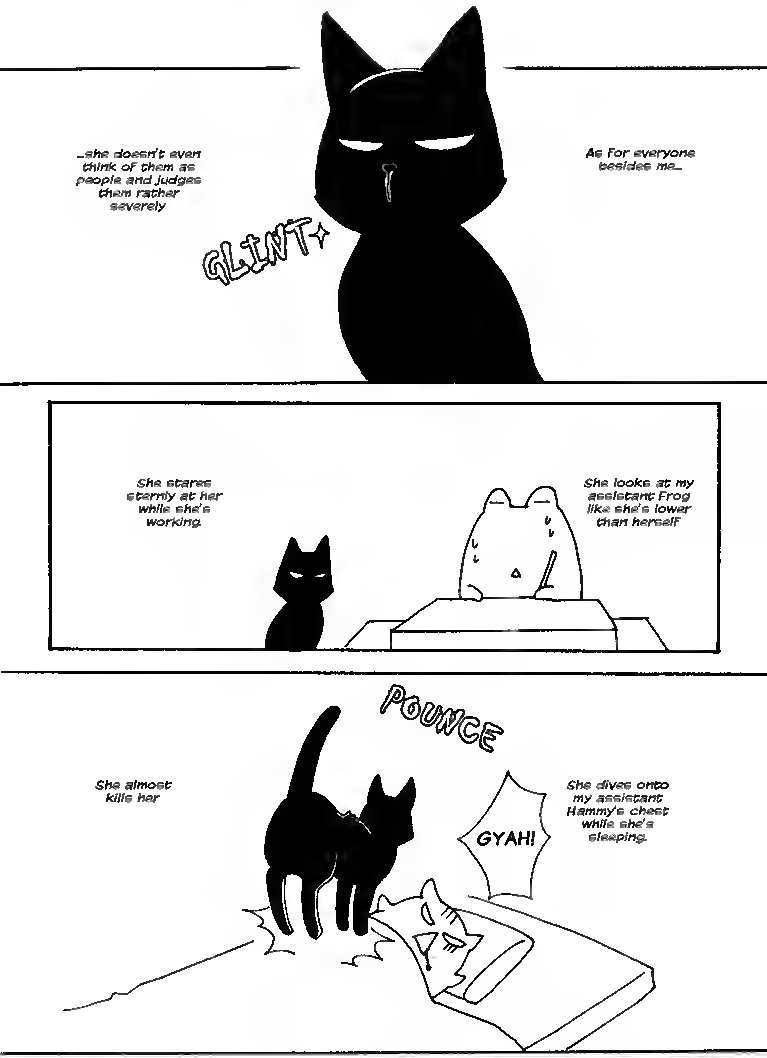
PASSAGE FROM SERVANT BOY / END

KITTY NIKO DIARY

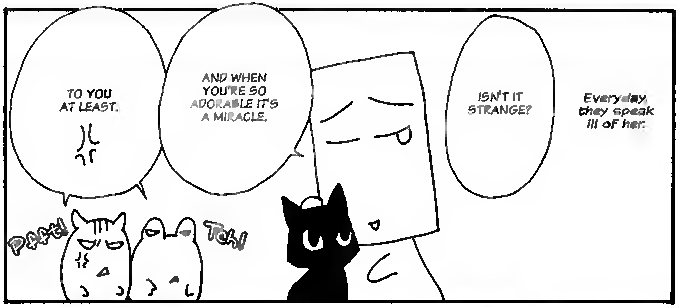




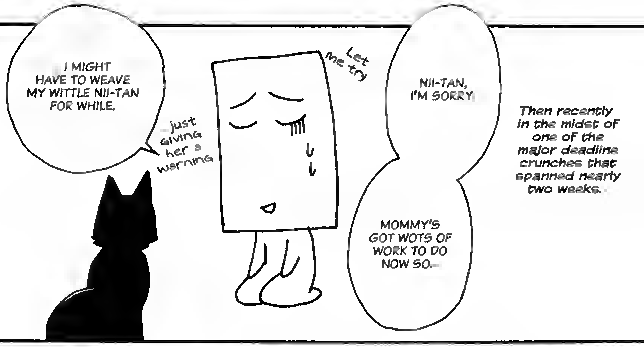


_she doesn't even think of them as people and judges them rather severely
GLINT
As for everyone besides me_
She stares sternly at her while she's working.
She looks at my assistant Frog like she's lower than herself
She almost kills her
POUNCE
GYAH!
She dives onto my assistant Hammy's chest while she's sleeping.

HISSSS
YOU ARE THE ENEMY!!



Everyday they speak ill of her.
ISN'T IT STRANGE?
AND WHEN YOU'RE SO ADORABLE IT'S A MIRACLE.
TO YOU AT LEAST.
Pfft!
Teh!



Then recently in the midst of one of the major deadline crunches that spanned nearly two weeks.
NII-TAN, I'M SORRY.
Let me try
MOMMY'S GOT WOTS OF WORK TO DO NOW SO...
I MIGHT HAVE TO WEAVE MY WITTLE NII-TAN FOR WHILE.
...just giving her a warning

...protest in a way...
In that case, maybe I'll...
...
Uh-oh, she's got that heartless look in her eyes
#rahf
...SHIT.
OWAAAH!!
Landmine!!
The next couple of days, what should come forth before my bathroom door but
YEAH YEAH, I'M SORRY!
OKAY?!
#Have you learned now? #Have you gotten the hint?
And after that, she'd come like a mountain wind, as sweet as can be to me.

PAAA
Then when reaching the peak of my work, she became a most definite obstruction.
Here
...I can't help publishing it here as an example
..STOP LANDING ON MY SHOULDER WHILE I'M INKING OKAY?!
AT ANY RATE.
Since it was such a magnificent work...
...
Uuh, that's sorta pretty
※ I dared not even change any of this.

And so we have the final volume.

This is my first bonus material for the compiled tankobon ever. I've caused a lot of people trouble but also had my tail saved by them.

To all of you who picked up this book, I would be so happy if you enjoyed it.

Just as they say, when you're working with a big cloth wrapper, the wider it is the harder it is to fold. When I tried drawing the story with what I thought would be a ton of pages, it turned out there just weren't enough and I couldn't draw all the emotions of all the characters I'd wanted to.

Oh well! Since everybody's still alive and well, should I find the chance to draw them again, I will do so!! That's my plan, at least. If you should ever come across my work again, by all means please tag along for the story.

I most truly thank you for the all the time we've spent together.

Dr天井
